

IF I WERE A CANDLE

music and lyrics by Elaine Serling (ASCAP)

verse

If I were a candle shinning bright
I'd want to be a Chanukah light
It wouldn't matter on which night
Just let me shine with all my might

chorus

Chanukah, Chanukah, what a joyous holiday
Chanukah, Chanukah, let's celebrate today

verse

If I were a present wrapped in a bow
To a Chanukah party I would go'
It wouldn't matter what night it would be
Just being a present is enough for me

chorus

verse

And if I were a latke steaming hot
With applesauce, I'd hit the spot
With Chanukah gelt, and dreidles to play
Everyone would join in and say,
