ERETZ, ERETZ ISRAEL

music and lyrics by Elaine Serling (ASCAP)

verse

Feel the spirit rising high
Reaching upward to the sky
Filled with hope for peace
Hope that war will cease
Forever, forever more

Green fields spread throughout the land
Meeting city lights so grand
Negev to the sea
In my heart you'll be
Forever, forever more

chorus (X2)

Eretz, Eretz Israel
Strength and courage will prevail
So much to see, so much to tell
Eretz, Eretz, Eretz Israel

verse

Raise your voices loud and clear
Celebrate year after year
Joining with the past
Traditions make it last
Forever, forever more

Cherish all the new and old
In Jerusalem city of gold
Eilat to the Galilee
In our hearts you'll always be
Forever, forever more

chorus (X2)

Eretz, Eretz Israel
Strength and courage will prevail
So much to see, so much to tell
Eretz, Eretz, Eretz Israel

verse

Feel the spirit rising high
Reaching upward to the sky
Filled with hope for peace
Hope that war will cease
Forever, forever more

chorus

Eretz, Eretz Israel
Strength and courage will prevail
So much to see, so much to tell
Eretz, Eretz, Eretz Israel

Eretz, Eretz Israel
Strength and courage will prevail
So much to see, so much to tell
Eretz, Eretz, Eretz, Eretz, Eretz
