**GRAND FLAG**

music and lyrics by Elaine Serling (ASCAP)

verse

Let's march all around, greeting everyone  
What a lovely sight to see, flags waving in the sun  
Big flags, little flags, any size will do'  
Just come and join the simcha, there's always room for you (x2)

chorus

Flag, flag, oh Grand Flag  
Oh Grand Flag of mine  
I am so proud to be a Jew and have a flag so fine  
I am so proud to be a Jew and have a flag so fine

verse

Stepping one, stepping two, holding my flag high  
March for freedom's glory, as the parade goes by  
Blue and white, white and blue, colors bright and bold  
Reminding us of heros brave, and all the stories told (x2)

chorus

Flag, flag, oh Grand Flag  
Oh Grand Flag of mine  
I am so proud to be a Jew and have a flag so fine  
I am so proud to be a Jew and have a flag so fine
