FOR NOW AND FOREVER

music and lyrics by Elaine Serling (ASCAP)

verse

Today is your day, for now and forever
Hand in hand, step by step, walking together
Take your faith, take your trust
And our blessing for your life

chorus

Two as one, for each other
Husband and wife
Two as one, for each other
Ba'al* v'eeshah (husband and wife)

verse

Sharing hopes, sharing dreams, soon the song that you'll sing
Will be sweet, filled with joy, and your souls will take wing
Keep your faith, keep your trust
And your promise for life

chorus

For now and forever
Husband and wife
For now and forever,
Ba'al* v'eeshah
Like spring flowers so fresh, and the new morning dew
Each day is a gift, unfolding for you

verse

Through the years, one by one, a family you'll be
With a home full of love, each day a memory
With your faith, with your trust
And our prayers for your life

chorus

Two as one, for each other
Husband and wife
For now and forever
Ba'al* v'eeshah
Now for each other
Forever, for life
