

PLANTING SEASONS HERE

music and lyrics by Elaine Serling (ASCAP)

chorus

Tu B'schvat, Tu B'schvat
The planting season's here
Plant a tree and watch it grow'
Year after year.

verse

It's good to see the forest green
And know you've lent a hand
Planting trees and seeds each year'
Is helping nature's plan

chorus

verse

It's doesn't matter where you choose
Just find your special place
To dig and hoe and water the soil
And clear away the space
