**PURIM TIME IS HERE**

music and lyrics by Elaine Serling (ASCAP)

verse

Purim, Purim time is here  
Time for celebration, joy and cheer  
Remember heroes brave, brave and true  
Keeping freedom safe, for me and you

chorus (x2)

Purim , here comes the parade  
Purim, be part of the charade  
Masks and costumes, noise makers too  
Reading the Megillah, through and through

verse

Hamentashen, three cornered hats  
Symbols of Haman's plot of the past  
Esther and Mordechai heard the cruel plan  
And justice was brought, throughout the land

chorus (x2)
