

SING AND SHOUT HOORAY

music and lyrics by Elaine Serling (ASCAP)

chorus

Sing, sing, and clap your hands
It's a joyous day throughout the land
Sing, sing and shout hooray
In Eretz Yisrael it's a holiday (x2)

verse

Today is the day, we waited for all year
Yom Ha'atzmaut is finally here
Marching in the streets, flags everywhere
What a special day for us to share

chorus

verse

Come join all your friends,
Now gathered in the streets
Dancing and clapping to the happy beat
We would like to say, yes, years have passed
But the joy they brought will last and last
