THINK ABOUT THE PEOPLE

music and lyrics by Elaine Serling (ASCAP)

chorus

Let's take some time
To think about the people
Think about the people
In Jewish history

Let's take some time, to learn
Learn about the people
Learn about the people
In Jewish history

verse

In ancient days, lived Abraham
He was the very first Jewish man
Isaac and Jacob both followed through
And soon the twelve tribes, grew and grew and
grew and grew

chorus

Take some time
To think about the people
Think about the people
In Jewish history

Let's take some time to learn
Learn about the people
Learn about the people
Who made Jewish history

verse

Our nation lived as slaves, in Egypt we are told
Along came a hero, brave and bold
Moses led the way to the promise land
And Joshua with his soldiers
Made their mighty stand.....

verse

Sarah, Miriam, Deborah and Ruth
Were women with courage, women of truth
Queen Esther and Mordecai stood for freedom's name
And Judah Macabee, did the very same

chorus

Let's take some time, to think
Think about the people
Think about the people
In Jewish history

Let's take some time to learn
Learn about the people
Learn about the people
Who made Jewish history

verse

In modern times, there were people we agree
Who kept Israel strong, who kept Israel free
Ben Gurion and Golda, Golda Meir
Leaders we honor, year after year.....

verse

The famous people, mentioned here today
Shaped Jewish history, in a special way
The future lies ahead, so much for us to do
Could our next hero, be you or you or you or you or you.....

chorus (X4)

Let's take some time, to think
Think about the people
Think about the people
In Jewish history

Let's take some time, to learn
Learn about the people
Learn about the people
Who made Jewish history
