TRAVELING TO ISRAEL

music and lyrics by Elaine Serling (ASCAP)

chorus

Traveling to Israel, our land so far away
Traveling to Israel, let's go today
Traveling to Israel, our land so far away
Traveling to Israel, let's go today

verse

When I travel to Israel, what would I like to see?
When I travel to Israel, what would I like to see?

Tel Aviv and Jerusalem, the Negev hot and dry
The Red Sea near Eilat and Masada so very high
Masada so very high (high, Massada, Massada, Massada)

chorus

Traveling to Israel, our land so far away (let's go)
Traveling to Israel, let's go today (X2)

verse

When I travel to Israel, what would I like to do?
When I travel to Israel, what would I like to do?

Work in the fields of kibbutzim, swim in the Dead Sea
Ride on a camel to ancient spots,
Would you like to come with me?
Would you like to come with me? (come with me)

chorus

Traveling to Israel, our land so far away
Traveling to Israel, let's go today (X2)

verse

When I travel to Israel, what should I take with me?
When I travel to Israel, what should I take with me?

I would take my thoughts, love in my heart
Gifts to share with all
And the very first place I would take myself
Ha' Kotel, The Western Wall
The Western Wall

chorus

Traveling to Israel, our land so far away
Traveling to Israel, let's go today (X2)
