## IT'LL BE ALRIGHT

music and lyrics by Elaine Serling

**verse:**

Somedays are cloudy, gloomy and grey  
Somedays seem like they won't go away  
Sometimes you feel like stayin' at home  
Sometimes you feel like bein' along

You can worry and wonder  
What's it about  
Where does it lead to  
Unhappiness and doubt

**chorus:**

Just gotta say it'll be alright  
The sun will shine, shine so bright  
Look for the blue skies, blue skies above  
It's a great big world and it's filled with love  
A great big world and it's filled with love

**verse:**

Maybe it's springtime and it's still a snowin'  
Maybe the wind's cold, gusty and blowin'  
River is movin', movin' so fast  
Thinkin' where's it going, how long can it last

Beyond the next meadow  
And over the hill  
Rainbows are callin'  
They always will

**chorus:**

Just gotta say it'll be alright  
The sun will shine, shine so bright  
Look for the blue skies, blue skies above  
It's a great big world and it's filled with love  
A great big world . . .

**bridge:**

Today is the dawn of every tomorrow  
Keep your dreams let go of the sorrow  
Discover the magic in this simple line  
You'll start feelin', feelin' so fine

**chorus:**

Just gotta say it'll be alright  
The sun will shine, shine so bright  
Look for the blue skies . . . sunshine above  
It's a great big world . . . a world full of love  
It's yours and mine . . . love makes it fine  
It'll be alright  
In this great big world . . . of love
